

Tavoli

Koniko

Koniko lavora per addizione nell'idea del suo designer, Matteo Zorzenoni. Ha un volume quasi monolitico dalla forma conica e un ampio piano tavolo in gres, legno o vetro laccato.

BASAMENTO CENTRALE

Koniko è un tavolo con base centrale in legno, disponibile in diverse finiture, da quelle in essenza che mettono in risalto il materiale originario a quelle laccate in una vasta gamma di finiture opache, cemento o metalliche.

SVARIATE MISURE PER IL PIANO

Il sottile piano fisso del tavolo Koniko è disponibile in diverse misure, sia di lunghezza che di larghezza, così da renderlo di facile inserimento in contesti assai diversi. Il piano può essere realizzato come il basamento in legno essenza o laccato, con la stessa finitura o con una finitura a contrasto, oppure in gres o vetro laccato.

KONIKO E LE MANS

Koniko abbinato alla sedia Le Mans, disegnata ancora dal designer Matteo Zorzenoni, crea un insieme particolarmente elegante ed equilibrato.

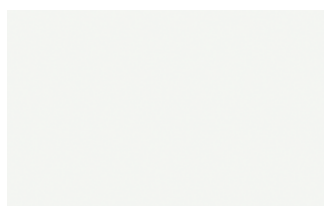

FINITURE

Quanto maestoso vuoi rendere il tuo tavolo Koniko? Molto dipenderà dalle finiture che sceglierai. Scoprile ora.
