

VERSACE
WALLPAPER

The creative universe of Versace has always encompassed many disciplines.
Since the beginning, it was not just fashion, but design in the broadest sense.

Versace Home was therefore a natural extension of this interest.

Created in 1992 initially as a textile collection, it soon became a complete home collection able to express the Versace lifestyle.

Today Versace Home takes the Fashion House's glamour and luxury into everyday living introducing the new wallpaper collection.

Produced in collaboration with A.S. Création, a leading company in this field, the new wallpaper collection emphasises Versace's iconic design.

A new art of living dressed for the occasion!
