## MIRAGE BED

SILVER BIRCH

 camelgroup®  
ARREDO ITALIANO

Headboard MIRAGE brings a fresh glamorous new look to the Elite Bedroom. The headboard upholstered in fabric features elegant, geometric lines created utilizing a unique, handcrafted double stitching technique. Diamond shaped frames joined 45 degrees by nickel plates are the motif of the Day and Night Elite collection.

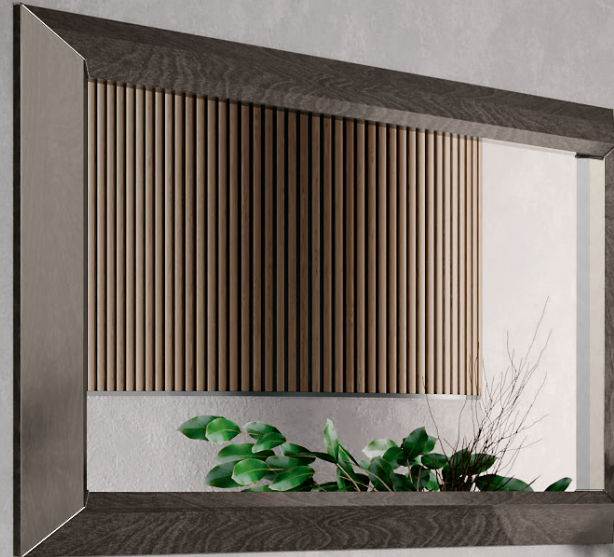

Pouf, bench, chair and headboard are upholstered utilizing a special ecological microfiber which looks like real leather. Containing no ingredients of animal origin, it is the true "vegan" alternative to leather.

This microfiber is highly resistant (100,000 abrasion cycles), breathable, does not flake, is washable and stains can be removed as it is not an absorbent yarn.

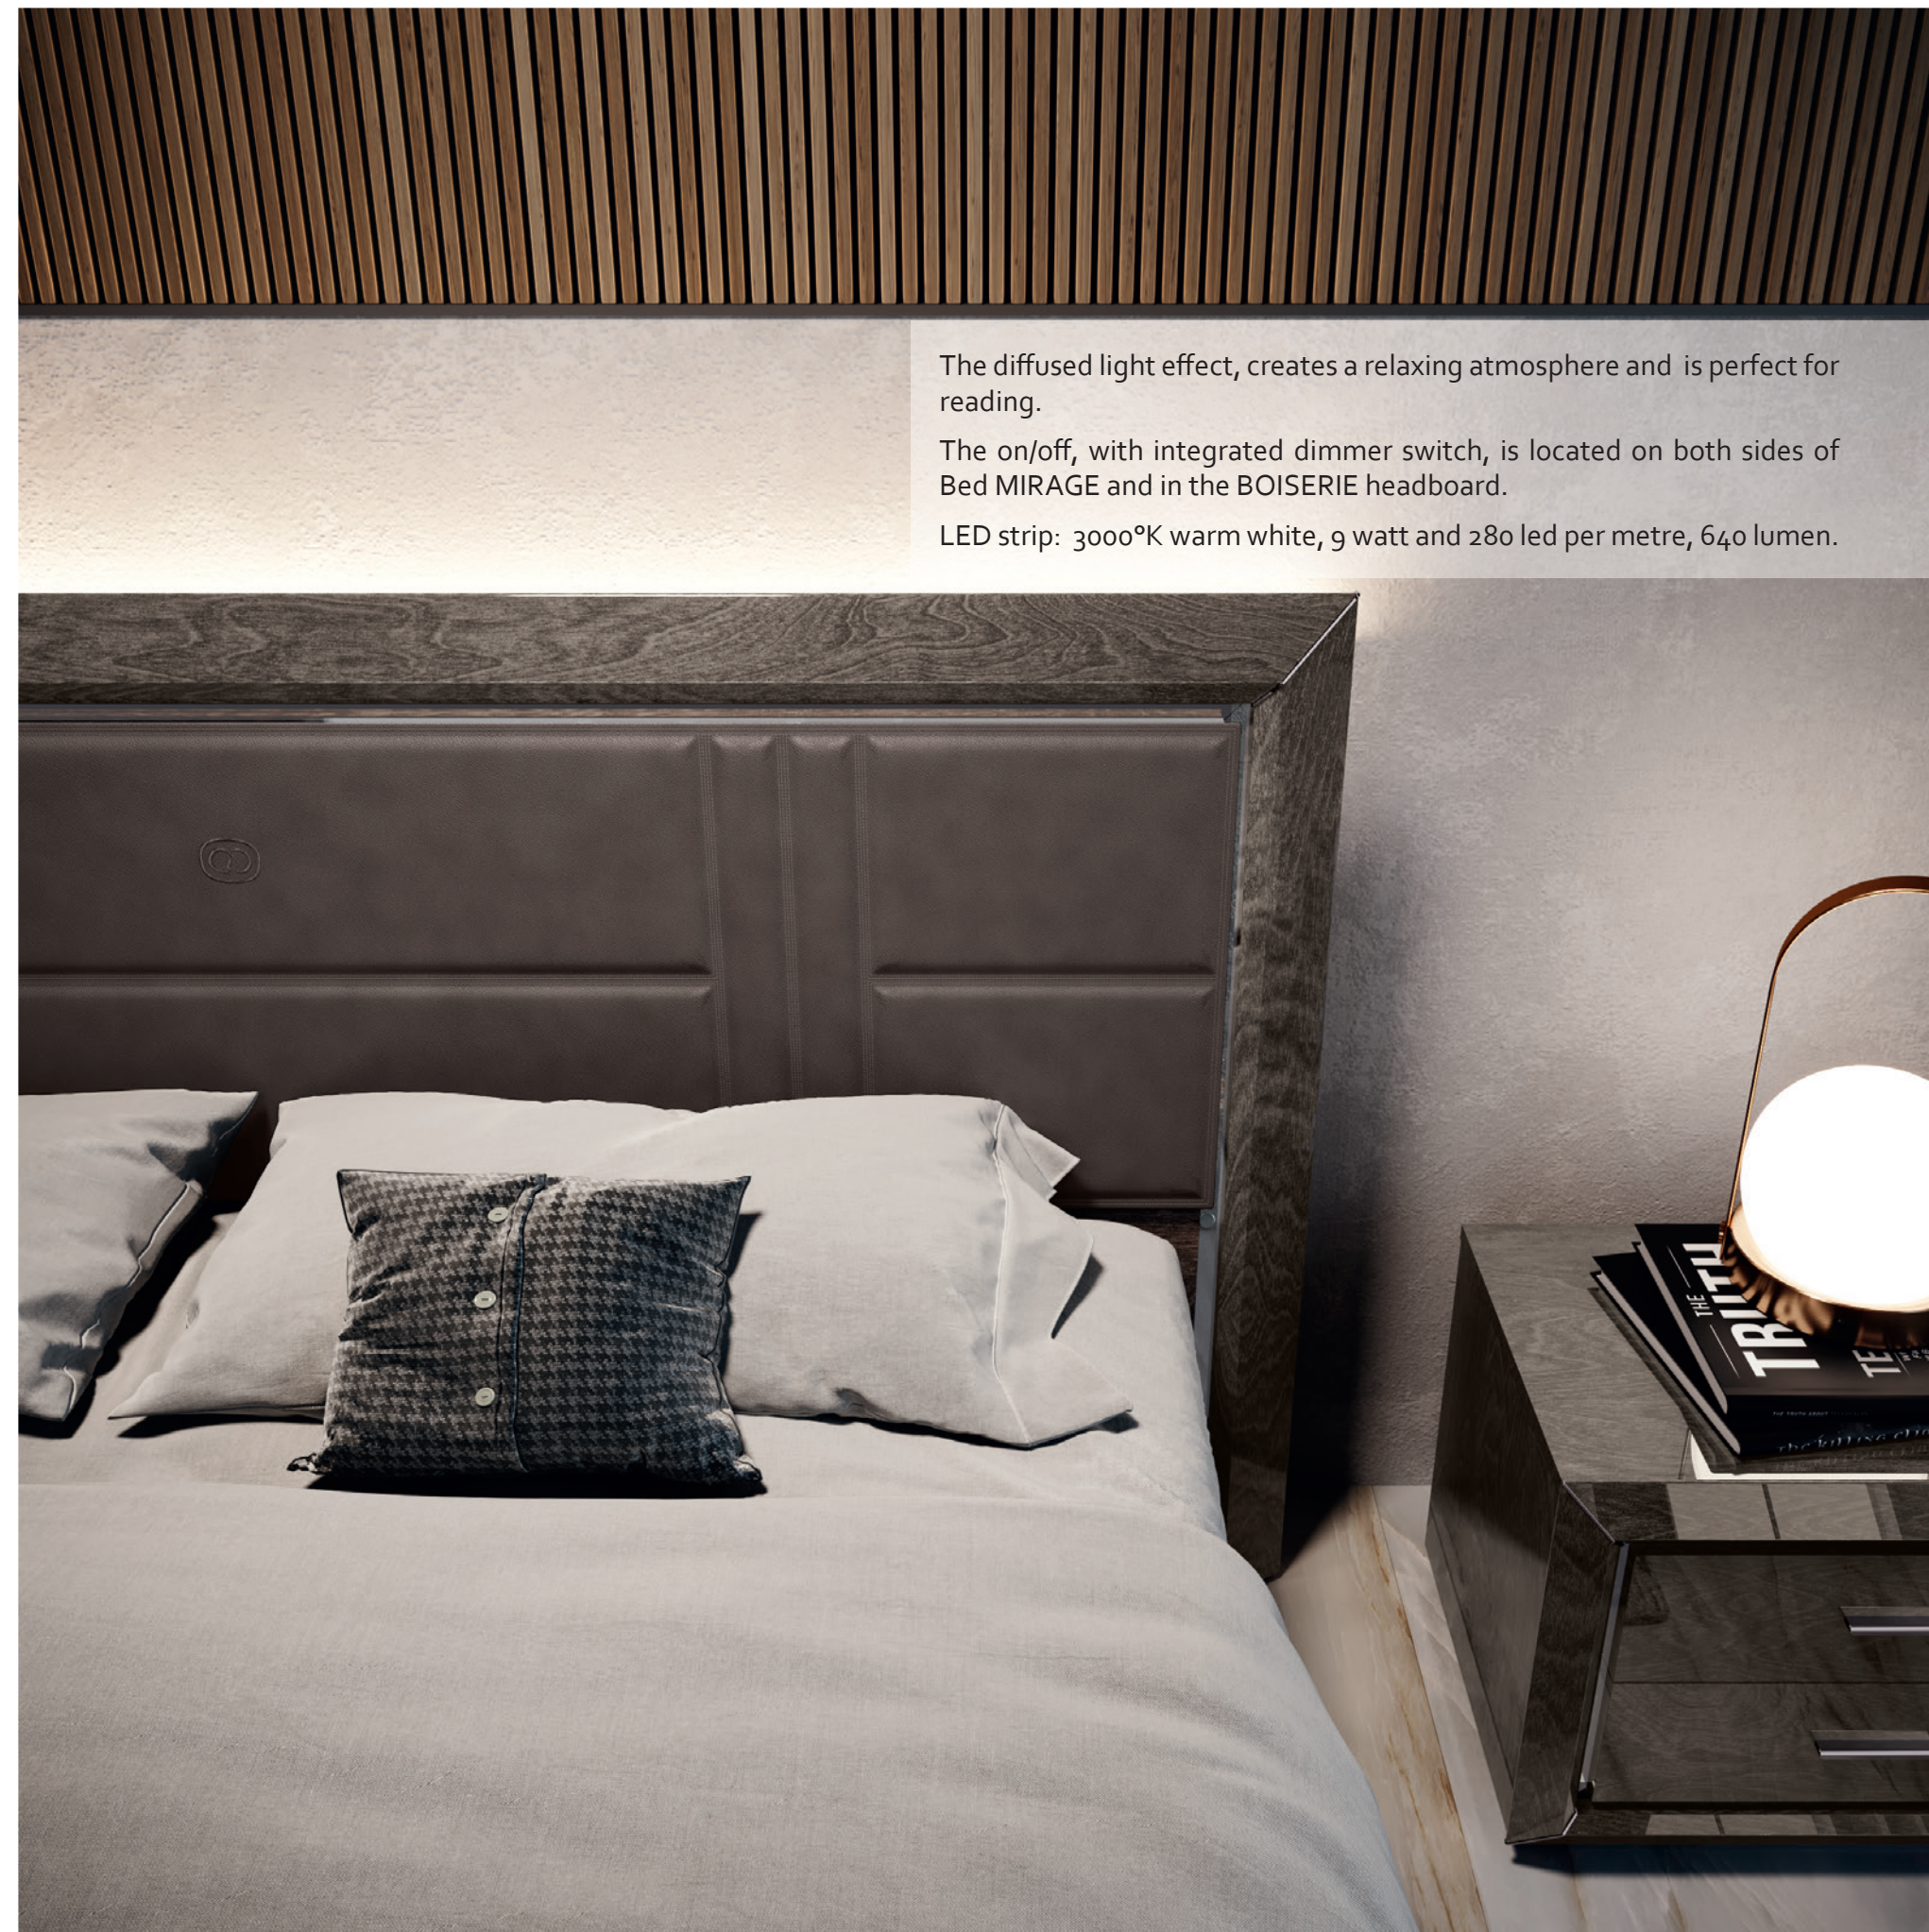

A next generation material which combines the latest trends and technology whilst respecting the environment.

The diffused light effect, creates a relaxing atmosphere and is perfect for reading.

The on/off, with integrated dimmer switch, is located on both sides of Bed MIRAGE and in the BOISERIE headboard.

LED strip: 3000°K warm white, 9 watt and 280 led per metre, 640 lumen.

The double stitched, central CG Camelgroup logo gives the headboard its refined craftsmanship value.
