

Chairs

Joelle

Simplicity and comfort. Joelle is an upholstered chair with a back with remarkable lumbar support. The linear base is expertly softened around the perimeter.

STRUCTURE AND COATINGS

Joelle is a chair with a solid wood frame and upholstery in fabric, leather or faux leather. You can also decide to make the back of the back with a different material or finish than the front. Joelle's simplicity also makes it easy to match with other chairs. For example, if you like to mix chairs around the table, we suggest matching it with the Gulp chair.

FINISHES

Different fronts and backs for the Joelle chair allow you to play with fabric/fabric, fabric/ecoleather, woven fabric/ecoleather, or woven faux leather/ecoleather.
